RE: JULY QUARTERLY REPORT (05/15/2014-06/30/2014) (ID C00502088)

Dear Mr. Whyrick:

This letter is in response to an inquiry I received on behalf of my client, Corbett for Congress (ID # C00502088).

Because Ms. Corbett did not advance to the General Election, the inquiry requests clarification on contributions the committee received and reported on this campaign report that were designated for the General Election.

When a candidate loses his or her Primary Election, the law requires the candidate to either refund or redesignate any General Election contributions within 60 days after the Primary Election. As required by law, the committee refunded all General Election contributions in the subsequent reporting period. These refunds will be shown on the committee's next campaign report.

If you have any additional questions, please feel free to contact me.

Very truly yours,
